To worship & serve God in order to
reflect and pass on the light of Christ.

Message from the Rector

What a joy it is to be part of a parish like St. Luke's, East Greenwich! I think of all the generations before us beginning in 1834 who have borne witness to the Light of Christ in this community and all of those who will come after us doing the same.

We worship and serve God here on our watch, reflecting and passing on this same Light of Christ. The name Luke means "bringer of light." Luke shines the light of Jesus through his Spirit inspired writings, both in the gospel that bears his name and in the Acts of the Apostles. It is our mission to carry on that ministry with all those who worship here for the sake of the communities in which we "live, and move, and have our being." (ACTS 17) Through worship, music, education, outreach and pastoral care, the Light of Christ continues to shine in our 175th year.

Under the faithful auspices of chairs Ron and Sue Clement, a year of vibrant events will help us celebrate the heritage we have received and are called to pass on.

We invite one and all, newcomer and long standing members to participate, pray and pledge to carry on this mission to the honor and glory of God and the well being of God's people.

The Rev. R. Craig Burlington, D. Min
